IPHS is seeking to develop collaborative funding proposals with post-doctoral researchers under the Marie Skłodowska-Curie Individual Fellowship (IF) programme in the following fields:

- ❖ **Family sociology, Sociology of Population, Demography, Research methods in Social science**
Supervisor: Prof. Elitsa Dimitrova, PhD
- ❖ **Developmental Psychology (Early Childhood Development)**
Supervisor: Prof. Maria Trifonova, PhD

The main objective of the department is the provision of reliable and comprehensive scientific information about mechanisms of development, identifying factors that stimulate human potential, and the risk factors such as neglect and lack of supportive and nurturing family environment, as well as lack of opportunities for early learning. The scientific work in this field could be a basis for programs for responsible parenting, as well as for ensuring quality services provision in the child care. It supports the evidence-based policy for early childhood development- the approach that has gained an international appeal.

- ❖ **Cross-cultural research, ethnic, national and European identity, well-being**
Supervisor: Prof. Margarita Bakracheva, PhD
- ❖ **Social psychology, inter-group relations, European identity, civic involvement**
Supervisor: Prof. Yolanda Zografova, PhD

If you are interested in preparation of project proposal together with IPHS in response to the H2020-MSCA-IF-2015 Call , please submit an Expression of Interest (CV and a brief description of your research area) until the end of July 2015 by e-mail at: office@iphs.eu
